

EXPANDED HOMEBOUND DELIVERY SERVICES

During the pandemic, we are expanding our homebound delivery services to include at-risk senior citizens and immunocompromised individuals on a temporary basis while the need for social distancing remains in effect. Eligible patrons can receive up to ten library items in each monthly delivery.

To apply for the program, please call the Outreach Department at **440-324-9831** or email us at **outreach@elyrialibrary.org**.
