Re: New Flat Rents effective December 1, 2017

LMHA is required to adjust its public housing flat rents within 90 days of the publication of new Fair Market Rents (FMRs). All flat rents must be at least eighty (80) percent of the published FMRs.

HUD's Fiscal Year 2018 FMRs are effective October 1, 2017.

In order to be in compliance, LMHA must review current flat rents and make any adjustments effective December 1, 2017.

For current program participants who pay the flat rent amount, the new flat rent amount will be offered, as well as the income based rent amount, at the next annual recertification option following December 1, 2017.

Flat rents are an option and only affect two (2) percent of all current LMHA residents.

If you have any questions regarding this notice or the flat rents, please contact your Manager.
