

April 2020 Resident Times

Lorain Metropolitan Housing Authority

2020 Census

What is the U.S. Census?

The census is a count of people who live in the United States, Puerto Rico, and the U.S. Island Areas. It is required by the U.S. Constitution, according to the Census Act of 1790. *It can be taken online at 2020census.gov, by phone (1-844-330-2020) or mailed in.*

What information does the census give us?

The census provides statistics on the numbers and characteristics of the U.S. population, including age and sex, race and origin, education, and housing.

Why is the census important?

Census data helps determine the number of seats each state holds in Congress and how billions of dollars in funding are distributed to states and local communities every year for services and infrastructure, including health care, jobs, schools, roads, bridges, and services for children and seniors.

Who is counted?

Everyone is counted! All adults, children and babies in a household.

How does the U.S. Census Bureau protect my information?

Your response to census is completely **confidential**. Federal law prohibits the U.S. Census Bureau and its workers from sharing any information they collect from individuals and businesses. It is a crime to share any information collected through census.

Due to COVID-19, LMHA offices are closed to the public until further notice. You can reach us via phone or email until the offices re-open.

If you have a medical emergency, dial 9-1-1.

For those who really need to be seen by a health care professional, call Lorain County Health and Dentistry at 440-240-1655 or call Lorain County Free Clinic at 440-277-7641.

BULK TRASH

Bulk trash is suspended until further notice.

Remember that during COVID-19 situation, you must continue to pay your rent. If maintenance has to come to your unit for an emergency repair, members of your household must be in another room or at least 6 feet away from staff per the Governor's order. If your household cannot comply, maintenance will return when you can.

What you need to know about coronavirus disease 2019

What is coronavirus disease 2019(COVID-19)?

COVID-19 is a respiratory illness that can spread from person to person.

How does the COVID-19 spread?

The virus is thought to spread mainly between people who are in close contact with one another (within about 6 ft.) through respiratory droplets produced when an infected person coughs or sneezes. Learn what is known about the spread of newly emerged coronavirus at <https://www.cdc.gov/coronavirus/2019-ncov/about/transmission.html>

What are the symptom of COVID-19?

Severe respiratory illness with symptoms of **fever, cough, and shortness of breath.**

How can I protect myself?

People can help protect themselves from respiratory illness with everyday preventative actions. 1. Avoid close contact with people who are sick. 2. Avoid touching your eyes, nose and mouth with unwashed hands. 3. Clean and disinfect frequently touched objects and surfaces.

What can you do to keep from spreading respiratory illness to other?

1. Stay home when you are sick. 2. Cover your cough or sneeze with a tissue, then throw the tissue in the trash. 3. Clean and disinfect frequently touched objects and surfaces (e.g. tabletops, doorknobs, bathroom fixtures, toilets, phones, keyboards, etc.).

For more information, please visit www.cdc.gov/COVID19

Attention Residents:

As an LMHA resident, it is part of your obligation to respect LMHA employees and the contractors that come in and out of your communities. If you any issues with employees or contractors, please contact your management office. Thank you !
